Subd. The offg. Deputy Commr (Mr. A.R. Srtd. The question of a dispensary (provision for two para 3 above) at Basaikatte was ordered to be taken up in connection with the next year's budget. The Senior Surgeon states that the necessary building for the dispensary & staff are ready & this may be opened this year alone instead of two as at Silvi. Srtd for orders.

Apart from the general orders sanctioning a programme and directing that the cost of opening the dispensaries shall be debited to the Malnad Improvement budget the Member wants to know whether a specific provision has been made for the purpose in the budget already, or if it has not been made whether a grant has been made after the sanction of the Legislative Council.

24-3-25

The Legislative Council have approved of the grant of a sum of Rs. 1.03.000 for Malnad Improvement Vide item No. 7 "30 Grants for Public Improvements" - page 79 of the Budget. This amount of Rs. 1,03,000 has been with the concurrence of the Financial Secretariat distributed under the G.O. No. L. 2891-904/San. 28-24-1, dated 1st October 1924 providing for a sum of -- Rs. 70,000 under Medical Relief for - - existing commitments under Dispensaries and for additional 5 new Dispensaries and Lady Medical Officers. In accordance with the above distribution, orders were issued in G.O. No. L. 3448-56/Med-144-22-45, dated 6th November 1924 providing for 5 new Dispensaries at - Hulikere, Sulegude, Ulvi and Aralgude in the Shimoga District and Gonibede in the Kadur District and it is directe therein that the cost of these 5 new Dispensaries will be debited to the Malnad Improvement Budget. This was approved by the Financial Secretariat.

The provision made for Gonibede was diverted in favour of a Dispensary at

This is only another such proposal viz., the establishment of a Dispenary at Basrikatte in lieu of one at Ulvi as the latter place is stated to be unsuitable and buildings and other conveniences are readily available at Basrikatte and the establishment of a dispensary in this place is long desired and found to be necessary.

This may be sanctioned and consideration by the Legislative Council seems unnecessary.

To

Sir,

In submitting herewith a copy of letter dated the 1st (November 24) instant/from Mr. Sylvester Pais, a Member of the District Board suggesting the opening of a Dispensary at Basarikatte in the Koppa Taluk in connection with the opening of Dispensaries during the current year under the Malnad Improvement Scheme as per para 9 of Government Order No. L. 2891-904/San. 28-24-1 dated 1-10-24, I have the honour to state that his proposal was considered by the District Board at their meeting held on the 22nd November 1924 when it was resolved that it may be recommended to Government for sanction.

In this connection I beg to state that the dispensary once sanctioned to be opened at the place was deferred by Government in their order No. G. 4560-6/San. 103-20-1 dated 18th June 1921 in connection with the retrenchment of expenditure under the Malnad Improvement Scheme.

Basarikatte is a place situated in the most interior of the malnad where no medical aid within an approachable distance is to be had, and I therefore very strongly support the resolution of the Board in as much as the representation is one deserving of a very favourable consideration.

Under these circumstances, I beg to recommend that a Dispensary be kindly sanctioned to be opened at Basarikatte in the Koppa Taluk

Taluk and that the same be taken up during the current year.

A copy of the Board's resolution is submitted herewith for favour of information of Government.

I have the honour to be,

Letter dated 1st November 1924 from Mr. Sylvester Pais, District Board Member to the President, Kadur District Board.

Please permit me to lay before you the claims of Basarikatte as a seat for the establishment of one of the two Civil Dispensaries proposed for the Kadur - District. Accordingly to new Malnad Improvement - Scheme It was arranged to establish one at this place under the auspices of the old Malnad Improvement - Department, but the proposal had to be shelved on a/c of the financial stringency of the Government. I earnestly request yourgood self to benigh carefully the merits of Basarikatte as a seat for one of the two proposed hospitals in the Kadur District.

GENERAL & REVENUE SECRETARIAT. 15817 14 MAR. 1925 LOCAL SELF GOVT.

11 MAR 1925

Sir,

With reference to Government order No. L 3448-56/Med-144-22-45, dated 6th November 1924, sanctioning the opening of four dispensaries in the Malnad parts of Shimoga District and one at Gonibid (subsequently changed to Bukkambudi) in the Kadur District, I have the honor to state that the District Board of the Shimoga District is reported to be in favour of having a dispensary opened at Chendragutti more urgently for the reason that the portion of the Hobli lying on the other side of the Varada river becomes unfordable during the greater part of the monsoon, while Ulvi being situated at a distance of nine miles from Sagar and Sorab, is not so badly so. Final proposals will be submitted to Government when the question of securing accommodation for the dispensary and the staff is definitely settled by the local authorities, who have been addressed in the matter.

In the meanwhile, I am in favour of the recommendation of the Deputy Commissioner of the Kadur District in his letter dated 3rd December 1924, (L.F.Pet. 53-24-25) for sanction to the opening of a dispensary at Basrikatte, Koppa Taluk, where the building selected for the opening the institution in 1920 and the new quarters for the Sub Assistant Surgeon and compounder are reported to be ready.

I therefore request that the opening of a dispensary at Basrikatte this year may kindly be sanctioned in place of the one at Ulvi.

I have the honor to be,
Sir,
Your most obedient servant,

Senior Surgeon.
